

The safety of our tenants and shoppers is always a top priority and we have always been highly focused on maintaining a safe and clean environment here at Palomar Village.

We're carefully monitoring novel coronavirus (COVID-19) developments to stay informed of the facts and help keep our shopping center tenants, vendors, employees, and shoppers informed.

With that in mind, please be aware that we are continually taking proactive measures such as but not limited to the following:

Disinfecting the cash counters, credit card machines, keypads, storefront entry handles, bathroom door handles and other commonly touched areas.
